The BU Chip In Club is the primary source of donations for the men's golf team. Its purpose is to help keep the program among the nation's elite. Special fundraising events, as well as club dues,

assist in the ever-increasing costs of funding for the sport. Now more than ever, we need your support.

At this time, I would like to encourage you to join in supporting this fine group of student-athletes. Your donations will be used exclusively to support the men's golf program. Your participation is an important part of our program's success as we begin a new season.
