

{ GRADY LIGON, Vice President
Investment Banking Technology, North American
Technology Center, JPMorgan, Houston, Texas

"I RECRUIT FROM BAYLOR BUSINESS BECAUSE THAT'S MY SCHOOL. Ultimately, I know the graduates will hit the ground running and quickly make an impact. Their skills and talents need little guidance." — GRADY LIGON

why hire a baylor grad?

"Our Baylor relationships enable us to build a recruitment pipeline that will grow their careers and build our company. In the last few years, we've hired many successful Baylor graduates and we'll most likely increase that number this year. Every BU grad we've hired has been excellent – nothing but good progress reports across the teams. Personally, I have two of last year's graduates on my team and they have been fantastic."

JPMorgan Chase is a leading global financial services firm with assets of \$1.3 trillion and operations in more than 50 countries.
