KWBU-TV Presents Latest Installment of *Eat This!* Series

"Home Grown" premieres Tuesday, August 4 at 7:00 p.m.

We know that feeling good starts with food. Line-caught, grass-fed, cage-free; buy local, choose sustainable, go for organic when you can - these words and phrases have become a mantra for many. The reasoning is simple: It's good for you, it's good for the local economy, and it's good for the environment. The most important reason? Food produced this way and cooked with care simply tastes better. Host Jessica Denk shows us places in Central Texas where the distance between the organic farm and the kitchen table is mere miles.

Saturday Marathons in August on Create™ TV

Spend your Saturdays with themed marathons

Create™ TV 's Saturdays are filled with a full day of how-to programs focusing on a specific theme. Explore a country, from history to food. Prepare for a holiday, from traditions to recipes. There's a Create Saturday to fit any lifestyle. See marathon descriptions below.

August 1: Tropic of Cancer

Circle the globe and take a trip to exotic places along with Create's most knowledgeable travel guides. Art Wolfe, Rick Steves, Burt Wolf and Rudy Maxa will take you to the pristine beaches of the Bahamas, the steamy paradise of Baja, Mexico and many other fascinating destinations. Pack your bags and rack up those frequent flier miles as you take flight around the Tropic of Cancer!

August 8: Julia!

The motion picture "Julie and Julia," can't compete with CREATE AND JULIA! Today is your day to bake with the Grand Dame of the Kitchen, Julia Child. Julia and her culinary comrades will make the most sinful and decadent desserts, confections and breads. You'll want to make them all . . . like author Julie Powell.

August 15: Arctic Circle

Take a break from the summer heat with a refreshing trip to icy locales way up north. You'll be surprised at all the fun and adventure to be had in these wintry vacation spots. Hike past geysers and glaciers with Art Wolfe. Board Viking warships with Rudy Maxa. Get in touch with the natural beauty of Alaska when Darley Newman befriends whales and puffins. On this Arctic expedition, you'll see the frozen north come alive.

August 22: Smokin' Hot

Nothing makes meat happier than a smoky, warm seat on top of a wood grill. We'll give you the lowdown on cooking with smoke, and how it adds flavor and tenderness to any dish. While Steven Raichlen has all the tips and tricks for the perfect wood barbecue, Ming surprises with a simple technique for smoking indoors. Tina Nordstrom gets us into an old smokery, and then we discover all kinds of foods you can smoke-even dessert! When there's smoke, we're on fire!

August 29: Thread the Needle

As summer winds down, our thoughts turn to ways to spruce up our homes for fall. Create can show you how with projects from our sewing and home improvement Goddesses. Let Martha Campbell Pullen, Nancy Zieman, Vickie Sloan and daughter Sloan Payne-Rutter inspire your creativity with unique embroidery, sewing tricks and techniques. All you need to know is how to Thread the Needle.

About Create™ TV

More often called "Do-it-yourself," the program genres seen on Create™ TV include viewers' favorite public television series and specials on cooking, travel, arts and crafts, gardening, home improvement and other lifestyle interests. The programs seen on Create™ TV come from American Public Television, The National Educational Telecommunications Association (NETA) and Public Broadcasting Service (PBS).

Create™ TV was launched to serve viewers' increasing interest in "do-it-yourself" programs and was designed for round-the-clock broadcast of the most popular lifestyle and how-to programming seen on public television – where lifestyle programming got its start!

Watch KWBU's Create™ TV twenty-four hours a day seven days a week on Time Warner channel 156, Grande Communications channel 173, or over-the-air with an antenna channel 34.2. For a complete program listing or for more information about Create™ TV, visit www.createtv.com.
